

Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Monday 12 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Sunshine and scattered, occasionally heavy showers.

Today:

Early cloud and rain, especially in the north of the region, soon clearing north through the morning. A mix of sunshine and showers during the rest of the day, some of these occasionally heavy and slow-moving. Maximum temperature 20 deg C (68 deg F).

Tonight:

Remaining showers soon dying out. A mainly dry night, although some cloud and scattered showers may affect the south of the region into the early hours. Minimum temperature 15 deg C (59 deg F).

Tuesday:

Early cloud may affect coastal areas. This cloud soon clearing to leave a day of sunshine and light, well-scattered showers with light winds. Maximum temperature 22 deg C (72 deg F).

Outlook for Wednesday to Friday:

Mainly dry and bright Wednesday, but some cloud possible for coastal areas. Drier and brighter conditions developing through Thursday and Friday, with an increasing likelihood of warm sunny periods.
